

**6th Annual Fundraising Event for *Healing Hearts!*
Wednesday June 1st, 2022**

Healing Hearts is a not-for-profit organization that provides social and recreational programs for children, teens, and young adults with developmental disabilities who live in the Stamford area. Our mission is to provide programs designed to encourage peer interaction, promote fitness, and to support independence for teens and young adults. **Healing Hearts** provides an enjoyable setting for our participants to socialize with friends in an inclusive, friendly and safe environment.

Every Friday night, **Healing Hearts** hosts a club night where our participants enjoy dancing, exercise and dance classes, and more! At club night we also provide dinner and dessert and our members thrive as they learn to interact and socialize with their peers all while having fun! In addition, **Healing Hearts** organizes special outings that include bowling and trips to concerts and museums.

On June 1st, 2022 **Healing Hearts** will be hosting its annual fundraising event! We will have carnival games, clowns, magicians and plenty of delicious foods for all to enjoy. On top of that we will have wine tasting, live music, silent auctions and even more for the adults! It will be so much fun for the entire family!

Healing Hearts enjoys strong partnerships with many local businesses and we would be honored if you would join us in our mission. All donations will directly benefit our participants.

Please send a contribution to **Healing Hearts**, 48 Union Street, Stamford CT 06906. To donate by credit or debit card or for more information about us please visit our web site at ***Healingheartsrecreational.org***.
